Cumulative Author and Subject Matter Index for Vol. VII. (1936)

Research Quarterly of the American Physical Education Association

Numbers refer to: First—Number of issue; Second—Page Number, e.g. 3:114 refers to Number 3 (October), page 114.

Number 1, March; Number 2, May; Number 3, October; Number 4, December.

ABBOTT, Elizabeth
Problems in Placing Practice Teachers. 1:151.

ADMINISTRATION
Study Pertaining to the Athletic Directorship of Intercollegiate Athletics. H. S. DeGroat. 3:14.

AFFLECK, G. B.
Selected Bibliography for 1935. 4:102.

ALLEN, Ross L.
Weight Deviation and Health in a College Group. 3:89.

ALLPHIN, Herbert G.
Study of Present Practices in Supervision of Practice Teachers in Physical Education in Teacher-Training Institutions. 4:56.

ANDERSON, Theresa W.
Weighted Strength Tests for the Prediction of Athletic Ability in High School Girls. 1:136.

AQUATICS
Brief History of the Development of Swimming. J. W. McVicar 1:56.

ATHLETICS—Women and Girls
Analysis of Activity Records of Field Hockey Players. Anna Espenschade. 3:62.
Motion Picture Survey in the Field of Sports for College Women. Gladys Palmer. 1:159.
National Research Study in Archery. E. I. Hyde. 4:64.

BLANCHARD, B. E., Jr.
Behavior Frequency Rating Scale for the Measurement of Character and Personality in Physical Education Classroom Situations. 2:56.

BOOK REVIEWS and Bibliographies
Bibliography of Health and Physical Education. E. B. Greene and C. H. McCloy. 4:3.
Book Reviews. 1:168; 2:137; 3:140; 4:139.
Knowledge Test on Source Material in Physical Education. A. A. Sefton. 2:124.
Selected Bibliography for 1935. G. B. Affleck. 4:102.

BUCK, Nadine
Comparison of Two Methods of Testing Response to Auditory Rhythm. 3:36.

BURPEE, Royal H. (and Wellington Stroll)
Measuring Reaction Time of Athletes. 1:110.

CALLAWAY, E. C. (and J. E. Hewitt)
Alkali Reserve of the Blood in Relation to Swimming Performance. 1:83.

CAMPING
A Camp Study. H. S. Curtis. 2:102.

COMMITTEE REPORTS
Committee Report on Showers for Boys. F. J. Gray. 1:68.
Eighth Annual Report of the Committee on Curriculum Research. W. R. LaPorte. 3:99.
Motion Picture Survey in the Field of Sports for College Women. G. E. Palmer. 1:159.

CONSTRUCTION and Equipment
Committee Report on Showers for Boys. F. J. Gray. 1:68.

COTTERAL, Donnie
Study of the College Women's Physical Education Department in its Relationship to the Community's Adult Leisure-Time Activities. 1:94.

COZENS, Frederick W.
Study of the Performance of Japanese Boys and Girls in Physical Education Activities. 2:42.

COZENS, Frederick W. (and M. H. Trieb and N. P. Neilson)
The Classification of Secondary School Boys for Purposes of Competition. 1:36.

CROOK, Billie Louise
Scale for Measuring the Antero-Posterior Posture of the Preschool Child. 4:96.

CURETON, Thomas K.
Analysis of Vital Capacity as a Test of Condition for High School Boys. 4:80.

CURTIS, Henry S.
A Camp Study. 2:102.

CYRIAX, Edgar
Relation of Dorso-Cervical Postural Deficiencies to Cardiac Disease, Especially from Middle Life Onward. 4:74.

DAMBACH, John (and E. B. Spindler)
Criteria for Studying and Evaluating Physical Education Programs with Relation to their Leisure-Time Contributions. 1:119.

DANCING
Comparison of Two Methods of Testing Response to Auditory Rhythm. Nadine Buck. 3:36.
Modern Revival of the Folk Dance. Alice Hayden. 2:27.

DAUGHTREY, Grayson
Preliminary Study of Standards of Performance in Athletic Skills in Junior High School Boys. 3:81.

DeGROAT, H. S.
Study Pertaining to the Athletic Directorship of Intercollegiate Athletics. 3:14.

ESPENSCHADE, Anna
Analysis of Activity Records of Field Hockey Players. 3:62.

GRAY, Franklin J.
Committee Report on Showers for Boys and Men. 1:68.

Cumulative Author and Subject Matter Index for Vol. VII. (1936)

ESPENSCHADE, Anna
Analysis of Activity Records of Field Hockey Players. 3:62.

GRAY, Franklin J.
Committee Report on Showers for Boys and Men. 1:68.

GRAY, Horace
Body-Build in Football Players. 3:47.

GRAYBEAL, Elizabeth
Measurement in Physical Education for Women. 4:60.

GREENE, Earl B. (and C. H. McCloy)
Bibliography of Health and Physical Education. 4:3.

HAMLIN, H. E. (and F. A. Waterman)
The Energy Cost of Chinning the Bar and Push-Up Exercises. 3:75.

HAYDEN, Alice
Modern Revival of the Folk Dance. 2:27.

HEWITT, Jack E. (and E. C. Callaway)
Alkali Reserve of the Blood in Relation to Swimming Performance. 1:83.

HISTORICAL
Brief History of the Development of Swimming. J. W. McVicar. 1:56.
Modern Revival of the Folk Dance. Alice Hayden. 2:27.
Philostratos: Concerning Gymnastics. Thomas Woody. 2:3.

HODGSON, Pauline
Studies in the Physiology of Activity. I. On Certain Reactions of College Women to Measured Activity. 1:3. II. On Certain Reactions of College Women Following Participation in Two-Court Basketball. 2:45.

HOWLAND, Ivalclare Sprow
The Application of Testing to Determine the Physical Fitness of College Women. 2:120.

HYDE, Edith I.
National Research Study in Archery. 4:64.

JACKSON, C. O.
Recent Changes in Student Teaching Curricula and Major Problems in Teacher Training at Forty-Three Institutions of Higher Learning. 2:108.

LaPORTE, William Ralph
Eighth Annual Report of the Committee on Curriculum Research. 3:99.

MARSHALL, Violet B.
The Status of Physical Education for Women in Colleges and Universities. 3:3.

McCLOY, C. H. (and E. B. Greene)
Bibliography of Health and Physical Education. 4:3.

McVICAR, J. W.
Brief History of the Development of Swimming. 1:56.

MURDAUGH, C. A.
Study of the Promotion and Organization of Leisure-Time Interests and Activities in Small Towns and Rural Communities. 3:129.

NEILSON, N. P. (and F. W. Cozens and M. H. Trieb)
Classification of Secondary School Boys for Purposes of Competition. 1:36.

O'NEEL, F. W.
Behavior Frequency Rating Scale for the Measurement of Character and Personality in High School Physical Education Classes for Boys. 2:66.

PALMER, Gladys E.
Motion Picture Survey in the Field of Sports for College Women. 1:159.

PROFESSIONAL TRAINING
Problems in the Placing of Practice Teachers. E. Abbott. 1:151.
Recent Changes in Student Teaching Curricula and Major Problems in Teacher Training at 43 Institutions. C. O. Jackson. 2:108.
Study of Present Practices in Supervision of Practice Teachers in Physical Education. H. G. Allphin. 4:56.
Supervising Practice Teachers in Physical Education at the University of Michigan. M. E. Rugen. 1:44.

PROGRAM
Interests and Abilities as a Basis for Program Planning. E. J. Stuhr. 2:92.
Status of Physical Education for Women in Colleges and Universities. V. B. Marshall. 3:3.

PSYCHOLOGY
Behavior Frequency Rating Scale for the Measurement of Character and Personality in High School Physical Education Classes for Boys. F. W. O'Neel. 2:66.
Behavior Frequency Rating Scale for the Measurement of Character and Personality in Physical Education Classroom Situations. B. E. Blanchard, Jr. 2:56.

RATHBONE, Josephine L.
Residual Neuromuscular Hypertension: Implications for Education. 4:77.

RECREATION
Criteria for Studying and Evaluating Physical Education Programs with Relation to their Leisure-Time Contributions. J. Dambach and E. B. Spindler. 1:119.
Study of the College Women's Physical Education Department in its Relationship to the Community's Adult Leisure-Time Activities. D. Cotteral. 1:94.
Study of the Promotion and Organization of Leisure-Time Interests and Activities in Small Towns and Rural Communities. C. A. Murdaugh. 3:129.

RESEARCH In Athletics
Alkali Reserve of the Blood in Relation to Swimming Performance. J. E. Hewitt and E. C. Callaway. 1:83.
Analysis of the Activity Records of Field Hockey Players. Anna Espenschade. 3:62.
Body-Build in Football Players. Horace Gray. 3:47.
Energy Cost of Chinning the Bar and Push-Up Exercises. H. E. Hamlin and F. E. Waterman. 3:75.
Measuring Reaction Time of Athletes. R. H. Burpee and W. Stroll. 1:110.
National Research Study in Archery. E. I. Hyde. 4:64.
Weighted Strength Tests for the Prediction of Athletic Ability in High School Girls. T. W. Anderson. 1:136.
Classification of Secondary School Boys for Purposes of Competition. F. W. Cozens, M. H. Trieb, N. P. Neilson. 1:36.

RESEARCH—General
Camp Study. H. S. Curtis. 2:102.
Evaluating Practices in Health and Physical Education J. W. Wrightstone. 1:26.
Knowledge Test on Source Material in Physical Education. A. A. Sefton. 2:124.
Measurement in Physical Education for College Women. E. Graybeal. 4:60.
Study of the Amounts and Kinds of Physical Education Material Found in Education Magazines. F. M. Shearer. 1:131.
Weight Deviation and Health in a College Group. R. L. Allen. 3:89.

RESEARCH—Physiological
Analysis of Vital Capacity as a Test of Condition for High School Boys. T. K. Cureton. 4:80.
Alkali Reserve of the Blood in Relation to Swimming Performance. J. E. Hewitt and E. C. Callaway. 1:83.
New Device for Urinalysis in the Routine Health Examination. H. A. Scott. 3:58.

Studies in the Physiology of Activity. I. On Certain Reactions of College Women to Measured Activity. 1:3. II. On Certain Reactions of College Women Following Participation in Two-Court Basketball. P. Hodgson. 2:45.

RUGEN, Mabel E.
Supervising Student Teachers in Physical Education at the University of Michigan (Secondary School Level). 1:44.

SCOTT, Harry A.
A New Device for Urinalysis in the Routine Health Examination. 3:58.

SEFTON, Alice Allene
Knowledge Test on Source Material in Physical Education Including Certain Aspects of Health Education and Recreation. 2:124.

SHEARER, Florence M.
Study of the Amounts and Kinds of Physical Education Material Found in Education Magazines. 1:131.

SNELL, Catherine
Physical Education Knowledge Tests. 1:73; 2:77.

SPINDLER, Evelyn B. (and John Dambach)
Criteria for Studying and Evaluating Physical Education Programs with Relation to their Leisure-Time Contributions. 1:119.

STETSON, R. H. (and G. C. Throner)
Training for Flexible Posture and Relaxation Movements. 1:143.

STROLL, Wellington (and R. H. Burpee)
Measuring Reaction Time of Athletes. 1:110.

STUHR, Elsie Jacobsen
Interests and Abilities as a Basis for Program Planning. 2:92.

TESTING and Grading
Application of Testing to Determine the Physical Fitness of College Women. I. S. Howland. 2:120.
Classification of Secondary School Boys for Purposes of Competition. F. W. Cozens, M. H. Trieb, N. P. Neilson. 1:36.
Contribution of Breathing Capacity to the Physical Fitness Index. D. Van Dalen. 4:93.
Measurement in Physical Education for Women. E. Graybeal. 4:60.
Physical Education Knowledge Tests. C. Snell. 1:73; 2:77.
Preliminary Study of Standards of Performance in Athletic Skills in Junior High School Boys. G. Daughtrey. 3:81.
Scale for Measuring the Antero-Posterior Posture of the Preschool Child. B. L. Crook. 4:96.
Study of the Performance of Japanese Boys and Girls in Physical Education Activities. F. W. Cozens. 2:42.
Weighted Strength Tests for the Prediction of Athletic Ability In High School Girls. T. W. Anderson. 1:136.

THERAPEUTICS
Relation of Dorso-Cervical Postural Deficiencies to Cardiac Disease. E. Cyriax. 4:74.
Residual Neuromuscular Hypertension. J. L. Rathbone. 4:77.
Scale for Measuring the Antero-Posterior Posture of the Pre-School Child. B. L. Crook. 4:96.
Study of the Orthopedic Aspects of Health Examination Records. V. W. Zullig. 4:44.
Training for Flexible Posture and Relaxation Movements. R. H. Stetson and G. C. Throner. 1:143.

THRONER, G. C. (and R. H. Stetson)
Training for Flexible Posture and Relaxation Movements. 1:143.

TRIEB, Martin H. (with F. W. Cozens and N. P. Neilson)
Classification of Secondary School Boys for Purposes of Competition. 1:36.

VAN DALEN, Deobald
Contribution of Breathing Capacity to the Physical Fitness Index. 4:93.

WATERMAN, F. A. (and H. E. Hamlin)
Energy Cost of Chinning the Bar and Push-Up Exercises. 3:75.

WOODY, Thomas
Philostratos: Concerning Gymnastics. 2:3.

WRIGHTSTONE, J. Wayne
Evaluating Practices in Health and Physical Education. 1:26.

ZULLIG, Viola W.
Study of the Orthopedic Aspects of Health Examination Records. 4:44.
